The Office of State Engineer, having reviewed the attached *Application for Permit to Develop in a Flood Hazard Area* (Form SE-900) and the supporting documentation as supplied by the applicant named above, and has determined that the proposed work complies with the State's "Building Standards in Flood Plain Areas". The undersigned hereby authorizes work to be performed under the following conditions:

GENERAL CONDITIONS

1. All work shall be done in accordance with the requirements of the *Governor's Executive Order on Floodplain Management, 44 CFR Parts 59-77* and with all other applicable local, state and federal regulations, including all required Federal and/or State permits/certifications which are attached to and are a part of this permit.
2. The plans, specifications and other documents submitted by the applicant are incorporated in and made a part of this permit. The work shall performed exactly as shown on the approved plans and specifications. Deviations of any nature are expressly prohibited without prior authorization of this office.
3. This permit does not lessen the applicant's requirement to obtain Federal, State or local assent required by law for the activity authorized herein.
